Our school offers a broad range of curricula activities with which all students become involved from time to time. Many of these activities necessarily challenge the students and, on occasion, any student with special needs may require specific facilities or consideration in the student's own best interests. Likewise, any students with a particular strength or talent may require special attention and nurturing. For these reasons, it is important that the School is made aware of your child's needs so that all appropriate measures can be taken for the welfare and benefit of the student. Information is required to assist the School in achieving success for all enrolled students. We ask that you complete the following details to assist the school in planning for the educational needs of your child.
